Reference: October Monthly Report (9/1/13-9/30/13)

Dear Mr. Stoetzer:

This letter is in response to your request for additional information dated April 9, 2013.

1. The above referenced report has been amended to accurately identify the transfer of \$35,000 on 9/27/12 as coming from the National Republican Congressional Committee, not the Republican National Committee.
2. The Committee has reviewed all expenses related to the Convention. All but the charter buses were for Party staff travel, not related to sending delegates to the Convention. The above referenced report has been amended to move this expense to line 21b. All subsequent reports have been amended to correct column B totals on the summary pages. The Committee is not required to transfer any allocations back to the non-federal account because the transfers from the non-federal account have not exceeded the allocated expenses.
3. The individuals listed on Schedule H4 with the description of Salary have spent less than 25% of their time on Federal Election Activity.
4. The disbursements disclosed on Schedule H4 as Party Ads were not related to any Federal Election Activity. These are generally website related expenses and only promoted the Party as a whole. They were generic activity and did not promote or oppose any clearly identified federal or non-federal candidate.

Sincerely,

Dan Herren
Treasurer
